## In Need Of Maintenance

Do you have a problem in your home that needs attention from maintenance? Simply call or stop by the office with your request. Please do not stop members of the maintenance staff and ask them to fix a problem in your home. Maintenance can only be performed after a work order has been issued through the office. Thank you.

## What's Your Number?

If you have a new cell phone/home phone number, please contact the office and provide us with the new information. This will allow us to keep our files updated, and we will be able to contact you if necessary.

## Renter's Insurance

Remember, the community's insurance policy doesn't cover your personal effects, so in the event of disaster, replacement of these would be up to you. Don't let extenuating circumstances put you in a bind. Contact your local insurance agent for more information on purchasing a renter's insurance policy.

## Slow Down

When driving through the community, please adhere to the 5 mph speed limit.
